WILLIS AIRCRAFT MAINTENANCE & STORAGE

Willis Aircraft Maintenance & Storage ("WAMS") is the latest division of Willis Lease Finance Corporation specialising in aircraft MRO solutions. WAMS' capabilities support and complement the Willis Platform™ providing operators and asset owners with line maintenance support along with aircraft parking, storage and disassembly services from our approved 145 MRO facility at Teesside International Airport in the UK.

800+

Willis Asset Management has a managed engine portfolio of 800+ engines and provides ongoing independent expertise on all aspects of maintenance costs, reliability, on-wing performance, maintenance, repair and overhaul options and OEM reliability measures / fleet campaigns. The unique access to our owned and managed fleet data affords insights into actual operations for the management of technical and financial risk.

PART 145

Federal Aviation Administration

EASA
European Aviation Safety Agency

Willis Asset Management is a fully approved Part 145 maintenance facility with EASA /FAA dual-release capabilities including lease return transitions, C-Checks, modifications, borescope inspections and engine storage and preservation in a state of the art 100,000 sq. ft facility in the UK.

Willis Asset Management Limited
A subsidiary of Willis Lease Finance Corporation

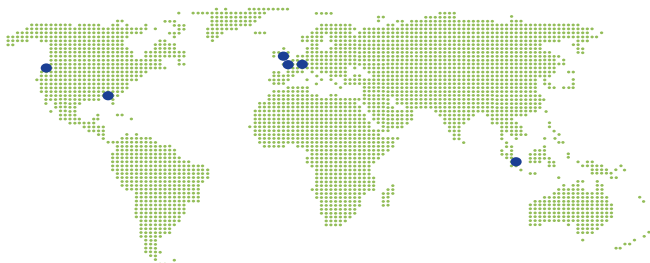

CAMO

Willis Asset Management is a fully approved CAMO organisation (UK.MG.0736). We are able to combine years of extensive transition and maintenance management with technical representation experience into a fully rounded and complete service offering for both lessors and operators.

1600 SHOP VISITS

Willis Asset Management has managed over 1600 shop visits and has proven experience in negotiating technical agreements with commercial considerations (through engine selection, lease, purchase, maintenance agreements and RFQs).

GLOBAL

Willis Asset Management consultancy is underpinned by unrivalled experience and an international presence, allowing us to deliver exceptional service to our global customers. With dedicated teams available to deploy at a moment's notice, Willis Asset Management is ready to provide the support and advice you need, when you need it.
